Stories4ALL

## A basic guideline for the platform

“The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

**Project N: 2021-1-EL01-KA210-SCH-000031465**

Co-funded by  
the European Union

To proceed, please locate the "Log in" button on the screen, which you will find in the top right corner.

Click on this "Log in" button to continue with the login process.

### Basic information

Stories4ALL aims to support the educational community (students, teachers, and families) to explore alternative learning pathways that focus on the development and flourishing of creativity and digital skills, as well as the social inclusion of students with visual impairments (VI). In addition, the project aims to strengthen the sense of solidarity and active citizenship for the entire educational community and the broader public.

The **purpose of the platform** is to host a structured course related on the use of the Guidebook for designing a new or transforming an existing story/educational material in tactile 3d printed form.

The **target groups** of the platform are:

“The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

**Project N: 2021-1-EL01-KA210-SCH-000031465**

Once you successfully log in, you will be directed to your dashboard content. On the dashboard, you will find various information and features related to your account. To access your timeline, look towards the right side of the screen. There, you will find the timeline section, which displays your activities, posts, and updates in chronological order.

Additionally, on the right side or possibly at the top of the screen, you will see the navigation menu. This menu provides access to different sections of the platform, allowing you to explore various features and settings. From the navigation menu, you can easily navigate to different pages, manage your account settings, access help or support, and interact with other platform features.

Remember to use the navigation menu to explore the platform efficiently and access the features you need conveniently. Enjoy your experience on the platform! If you encounter any issues or need assistance, feel free to use the help or support option from the navigation menu.

If you are looking to access your courses on a website or platform, please follow these general steps:

1. Look for the navigation menu on the screen, typically located at the top or side of the page.
2. Within the navigation menu, locate the option labeled "My courses" or something similar that indicates course-related content.
3. Click on the "My courses" link or button to access your courses.

The screenshot displays the 'Stories4ALL Training Center' dashboard. At the top, there is a teal header with search, notification, and language (English) icons, and a user profile icon labeled 'KM'. Below this is a dark blue navigation bar with the site title and search, globe, and social media icons. A secondary navigation bar contains links for Home, Dashboard, Events, and My courses, with a red arrow pointing to 'My courses'. To the right of these links are options for 'Customise this page', 'Hide blocks', and 'Standard view'. The main content area features an 'ANNOUNCEMENTS' section with a welcome message. Below that is a 'Dashboard content' section with tabs for 'Dashboard content', 'Tab two', and 'Tab one'. The 'Timeline' section includes a 'Next 7 days' filter, a 'Sort by dates' dropdown, and a search bar for activities. A message states 'No activities require action'. The 'Calendar' section shows the month of July 2023, with the 1st and 2nd of August visible. On the right sidebar, the 'Navigation' menu lists 'Dashboard', 'Site home', 'Site pages', 'My courses' (with sub-items 'Story Making' and 'Converting digital images into tactile images'), and 'Recently accessed items' (showing 'No recent items').

“The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Click on the "My Courses" option in the main menu bar. Once you are on the "My courses" page, look for the "In progress" tab or link within that section. It should be a specific subsection dedicated to courses you are currently enrolled in or actively working on. Click on the "In progress" tab to access the list of your active courses and their respective progress status.

The screenshot displays the 'Stories4ALL Training Center' dashboard. At the top, there is a teal header with navigation icons and a search bar. Below this is a dark blue navigation bar with the site title and social media icons. A main menu bar contains 'Home', 'Dashboard', 'Events', and 'My courses'. The 'My courses' menu is expanded, showing a dropdown with 'In progress...' highlighted by a red arrow. Below the menu, there are three tabs: 'Dashboard content', 'Tab two', and 'Tab one'. The main content area features a 'Timeline' section with a search bar and a message 'No activities require action'. Below the timeline is a 'Calendar' for July 2023. On the right side, there is a 'Navigation' sidebar with links to 'Dashboard', 'Site home', 'Site pages', 'My courses', and 'Recently accessed items'. The 'My courses' link is expanded to show 'Story Making' and 'Converting digital images into tactile images'. The 'Recently accessed items' section shows 'No recent items'.

In the "In progress" section, you should see a list of courses you have activated or started. You may also find the progress indicators for each course, such as completion percentages, modules completed, or other relevant metrics. To view the content or details of a particular course, click on the course name or the corresponding progress indicator. For example, look for the course titled "Converting digital images into tactile images" in the list of courses under the "In Progress" section. Click on the name of the course "Converting digital images into tactile images".

The screenshot shows the 'Stories4ALL Training Center' dashboard. At the top, there is a teal navigation bar with search, notification, and language (English) icons, and a user profile icon labeled 'KM'. Below this is a dark blue banner with the site title 'Stories4ALL Training Center' and search, globe, and social media icons. A navigation menu below the banner includes 'Home', 'Dashboard', 'Events', and 'My courses'. A dropdown menu for 'In progress...' is open, displaying two course entries: 'Story Making' and 'Converting digital images into tactile images'. A red arrow points to the second course. The main content area features a 'Dashboard content' section with tabs for 'Dashboard content', 'Tab two', and 'Tab one'. Below this is a 'Timeline' section with a 'Next 7 days' dropdown, a 'Sort by dates' button, and a search bar for activities. A message states 'No activities require action'. At the bottom is a 'Calendar' section for July 2023, showing days from Monday to Sunday. On the right side, there are two panels: 'Navigation' with links to 'Dashboard', 'Site home', 'Site pages', 'My courses', 'Story Making', and 'Converting digital images into tactile images'; and 'Recently accessed items' which shows 'No recent items'.

Stories4ALL

Once you click on the course name "Converting digital images into tactile images," you will be directed to the course page, where you can access all the content and details specific to that course. On the right side of the course page, you will find an information menu that provides details related to your grades and the course modules.

In the grades section, you may find information about your current progress and performance in the course. This could include details about completed assignments, quizzes, tests, or any other assessment components, along with your corresponding grades or scores.

In the modules section, you will likely see a list of the different modules or units that make up the course. Each module may have its own title and description, outlining the topics covered in that particular section of the course.

By exploring this information menu on the right side of the course page, you can gain valuable insights into your performance and track your progress throughout the "Converting digital images into tactile images" course.

The screenshot displays a course page with a navigation bar at the top containing 'Home', 'Dashboard', 'Events', 'My courses', and 'This course'. On the right side of the page, there are options for 'Hide blocks' and 'Standard view'. The main content area is divided into two sections:

- 1st Module: Storytelling explained**: This section features a blue header with a silhouette illustration of a mermaid, an octopus, and a pirate ship. Below the header, there are three items, each with a 'Mark as done' button:
  - PAGE**: Presentation of digital Storytelling
  - FILE**: Download the presentation in pdf
  - QUIZ**: Storytelling Test
- 2nd Module: Storybird explained step by step**: This section has a blue header with a white silhouette of a storybird.

On the right side, an information menu is visible under the heading 'Story Making'. It includes a list of items with expandable arrows:

- Participants
- Competencies
- Grades
- General
- 1st Module: Storytelling explained
- 2nd Module: Storybird explained step by step
- Converting digital images into tactile images

After you finish studying the material, look for the button that allows you to mark the material as done. It is labeled as "Mark as done". Click on the "Mark as done" button for the specific material you have just studied. Once you mark the material as done, the platform may record your progress and update your course completion status accordingly.

The screenshot shows a course interface with a navigation bar at the top containing 'Home', 'Dashboard', 'Events', 'My courses', and 'This course'. On the right side of the navigation bar are 'Hide blocks' and 'Standard view' options. The main content area is divided into two modules. The first module, '1st Module: Storytelling explained', features a blue header with a silhouette illustration of a mermaid, an octopus, and a pirate ship. Below the header are three items: a 'PAGE' titled 'Presentation of digital Storytelling', a 'FILE' titled 'Download the presentation in pdf', and a 'QUIZ' titled 'Storytelling Test'. To the right of each item is a dark blue 'Mark as done' button. A red arrow points to the top 'Mark as done' button. The second module, '2nd Module: Storybird explained step by step', has a blue header with a white silhouette of a storybird. The right sidebar contains a 'Story Making' menu with expandable options: 'Participants', 'Competencies', 'Grades', 'General', '1st Module: Storytelling explained', '2nd Module: Storybird explained step by step', and 'Converting digital images into tactile images'.

Project N: 2021-1-EL01-KA210-SCH-000031465

When you complete a module, you will find a quiz section available for that particular module. Here's how it typically works:

1. Access the quiz section for the specific module you just studied. It is located within the module page in a separate "Quiz" button.
2. Start the quiz to answer a series of questions related to the content covered in the module. These questions can be in various formats, such as multiple-choice, true/false, fill-in-the-blank, or short-answer questions.
3. Answer each question based on the knowledge you gained from the module.

The screenshot shows a course interface with a navigation bar at the top containing 'Home', 'Dashboard', 'Events', 'My courses', and 'This course'. On the right, there are options for 'Hide blocks' and 'Standard view'. The main content area is titled '1st Module: Storytelling explained' and features a blue header image with silhouettes of a mermaid, an octopus, and a ship. Below the header, there is a list of items:

- PAGE**: Presentation of digital Storytelling (Mark as done)
- FILE**: Download the presentation in pdf (Mark as done)
- QUIZ**: Storytelling Test (Mark as done)

A red arrow points to the 'Storytelling Test' item. Below this list, the '2nd Module: Storybird explained step by step' is partially visible with a blue header image.

“The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Stories4ALL

Once you have successfully completed the quiz, take a moment to reflect on your efforts and understanding of the module's content. When you feel confident with your quiz responses, proceed to the next step: pushing the "Mark as done" button. This button is a pivotal checkpoint that signals your completion of the quiz and the module, indicating that you have comprehended the material and are ready to progress further in your learning journey.

By clicking "Mark as done," you affirm your commitment to continuous learning and allow the platform to track your progress accurately. This action helps you keep tabs on the modules you have completed and provides a sense of accomplishment as you move closer to mastering the course.

Remember, learning is a dynamic process, and quizzes serve as invaluable opportunities for self-assessment and growth. Embrace this chance to gauge your knowledge and reinforce your understanding of the subject matter. Feel free to revisit challenging concepts and delve deeper into the material to enhance your grasp of the topic. As you progress through the course, celebrate each milestone and stay motivated to unlock new levels of knowledge.

Enjoy your learning experience, and never hesitate to seek additional support or resources to enrich your educational journey. Happy learning and congratulations on completing the quiz!

The screenshot shows a user interface for a course titled "Story Making". The top navigation bar includes "Home", "Dashboard", "Events", "My courses", and "This course". On the right, there are options for "Hide blocks" and "Standard view". The main content area is divided into two modules. The first module, "1st Module: Storytelling explained", features a blue header with a silhouette illustration of a mermaid and an octopus. Below the header, there are three items: a "PAGE" titled "Presentation of digital Storytelling", a "FILE" titled "Download the presentation in pdf", and a "QUIZ" titled "Storytelling Test". Each item has a corresponding "Mark as done" button to its right. A red arrow points to the "Mark as done" button for the "Storytelling Test". The second module, "2nd Module: Storybird explained step by step", has a blue header with a silhouette of a bird and a star.
